We Source IT Better, We Manage IT Better, We Refresh IT Better

CADAN DELUXE PLAN

Get the best of both worlds – our pool hours plan gives you the advantages of a fully managed environment without the upfront expense.

Products

Through our product consulting services, we will provide product insight, comparisons and recommendations. With hundreds of vendor specialist on tap, we can tell you anything you need to know. Our Product Sourcing Services with over a million products in our catalog, guarantee we'll have what you need - if we don't we can find it for you.

Services

With this contract you will get - Remote Monitoring, Patching, Antivirus, and System Reporting.

Labor

Every month you'll earn one hour per user in your contract environment which will be pooled together – so 30 users gets you 30 hours every month. These hours can be used for all of your updates, repairs, installs, moves, adds and changes*! Run out of hours? No problem, we are always available to provide support at our discounted billable rates. With your Deluxe contract you will receive a 20% discount on all associated labor rates*.

*Surcharge and minimums may apply. Hours are applicable for remote work only.

**An onboarding fee for all new managed clients will apply.

Call us locally at 952-278-0580 or Toll-Free at 888-882-2326.

We are also available via email at helpme@cadan.com.
